“ There is so much to say about this fun loving woman that I am proud to call my aunt. I still can't believe this incredible journey is over but I know you are in a better place. We shared so many great memories(West Virginia). You weren't just an aunt but a friend that I could share anything with. I am thankful to know that you are no longer suffering and that you will look upon me and others forever. I will never forget you and your party side...you are in a special place I call my heart... -Brittany

“ Dear Mike and Family, We are so very sorry for your loss and wish we could be there. No words can comfort you but have peace in the knowledge that she had a wonderful life with you all and everyone did their best in their own way to care for her. Try not to second guess decisions made or words spoken and know in the end love is all that mattered. Have no doubt that she knows how you all feel and will return that love until the end of time. May God Bless you all with comfort and peace that only time can provide. Much love,
