“ My Mother-in-law was one of the most loving, kind-hearted and generous people I have ever known, who welcomed me with open arms and always treated me like her own son. That's why it was my honor right from the beginning to refer to her as "Mom". I love , respect and admire you Mom and I already miss you terribly. You left us too quickly and it is never going to be quite the same here without you in our home. My only solace is that you have been happily reunited with your Husband and Mother, which I know has brought you tremendous joy and in turn brings the rest of us comfort in knowing. I am a better person for having known you. Words alone cannot express the emptiness in my heart right now. You are now at peace with the lord. I know you will watch over your children and grandchildren just as you always have. I love you eternally.
