“ *What I will always remember most is Aunt Cathy's beautiful smile. No matter if it was a good day or bad, she always had that beautiful smile and happy to see the kids and I. Billy loved to go see his 'other' Aunt Cathy and sit at the table with the grown ups, eating Strawberries dipped in sugar. She always had strawberries in the refriq and would tell him she bought them just for him, that she knew he was coming for a visit. We are all going to miss her so much. I know she's in a better peaceful place, with her Mom, Dad, Grandparents and now Ray Ray too. She's in good hands. My heart cries for our loss, but I am happy she is no longer suffering and at peace.*

“ *Dear Cathy Ann, Ray Ray and Beth Ann, I have many fond memories of your Mom and you kids growing up. Your Mom had an 18th birthday party for me and Dan's baby shower. She was a good person beautiful inside and out. She had enough courage to tell the truth and be a mentor to me. Thanks for everything Cathy! Rest in Peace ! Love, Cathy Decker & Dan Dooley*

“ *Cathy was one of the nicest people I had the pleasure of knowing. She always had a nice smile and a kind disposition. My dad was always fond of her and they were the best of friends. To her family, I offer my most sincere condolences for such a beautiful and caring person. May she be in Heaven with my dad having a cup of coffee together and talking about the Irish ways.*

“ *Beth, Kathyann, and Ray, I'm so sorry for your loss. Your mother was a remarkable woman. When I think of her so many of her qualities come to mind - how classy she was, how hospitable she was, her charm, wit, sense of humor not to mention she had a smile that could light up a room. I will miss her so. I could be having a miserable day, go to your mom's house have coffee and talk with her and by the time I left her house I had a feeling of happiness. If only more people had her disposition the world would be a much better place. She had a way of making people feel good about themselves. I feel honored to have known her.*

“ Beth, Kathyann, and Ray. I will miss your mom more than words can say. I will probably always look next door to see if she's coming out to get the paper or to let Brucie in. She treated my children with love and like they were her grandkids. I'll miss sitting out on the front step just chatting and catching up. But I know that your mom and Kevin's mom are having a cup of coffe in heaven looking down and smiling at thier kids and grankids happy we all became like family. Love you, Kelly, Kevin Lauren and Matt

“ Dear Dooley Family, I've only known Kathy for a very short time but my wonderful phone conversations with her make it seem as if I know her a lifetime. Thankfully, I got to meet her just short time ago. I can understand why Woody is so fond of her, so sweet and gentle. I know she will be greatly missed by you, her children and grandchildren, as well as everyone else who knew her. My deepest sympathies.

“ I just wanted to send my thoughts and prayers to all of you! I can only remember great times in ole' Cooper Village back in the days. I could always find your Mom sitting at the Kitchen table, coffee in hand and my Mom too! I think we all took it for granted! What a great childhood we had! Remember the good times, there was plenty of them!

“ Mom, I'm so sorry, you left us. You were the best Mother in the world! My mentor, my best friend, my everything! We have been through best of times, and you have carried me through the worst of times! I have lost loved ones who were most dear to my heart; but none as precious as you. I realize that they are basking in the presence of God's love, peace and understanding. This is still so tough, every single day, because my soul still longs to know you as I had in the past. Be patient, Mommy I will be with you some day. What we consider a "long time" is just a flicker in eternity. Our souls will be rejoined soon enough. You are in my thoughts and prayers every second of every day. I Love you Mommy, Love, Beth Ann
