“ *it's not whether one's life is long or short, but how one lives that is important. It is what we accomplish, the degree to which we develop our state of life, the number of people we help become happy—that is what matters. We love you Grandmom!*

“ Catherine C Gillin was my Aunt who I loved very much and losing her will be felt in my heart for a very long time. My Aunt was very helpful in my mother's time of need and that I will never forget.
Gone but not forgotten.

“ I wish I could be there to say my goodbyes, I haven't seen you in years and I'm still in shock. I pray for your children and grandchildren. This is a very hard journey for them. I love you very much, and I'm going to miss you especially you having my back. You were a very good lady who is missed by many. Your personality was too good for words but the people who were around you always felt love. Your smile has touched many hearts, you are an angel. Thank you for being in our lives. Its hard to say goodbye to someone I called my aunt, even tho we weren't blood, I still consider you and your kids family. May you rest in peace and enjoy ever lasting life with husband that I know u missed dearly.

“ To Cathy's Family - I saw her post earlier this week on FB that she wasn't feeling well, but then saw another post that she woke up feeling better. I am in shock and so saddened by her sudden death. I know how much she loved and missed her husband and I hope you all find comfort soon in knowing she is now with him and in peace. God bless.
