“ *My Beautiful Catherine*

Life on this earth will not be the same without you. You are so beautiful to me and you were so generous with everything and anything that you had. I will miss hearing your fun stories and that you could always make everyone laugh and smile. I will miss you dearly every day and especially on fishing, crabbing, and beach trips. I will always remember decorating our home for the holidays and baking your Banana cream pie and the Polish kolachy cookies. I love the way you would dance happily in my kitchen at Christmas. I love the way you used to make homemade whipped cream at the table and beat it by hand from heavy cream. I will always love the way you made your hand made beautiful bows for the Christmas garlands. I will think of you always when planting flowers in my garden and I will especially appreciate when all the ones that you planted come into bloom. I'll bet heaven is so much nicer since you arrived. Give my love to all our loved ones and I will see you soon but not yet. I love you.

“ *I am so saddened at the loss of your beloved Cathy. I will always remember our Christmas Eves together as a family every year at Aunt Teddie & Uncle Bill's house. It is a memory of wonderful times. I always think of her love of the seashore. O Lord, with your Eyes set upon Cathy, you have spoken her name. At Your side, she will seek other shores. God give you all strength and send you comfort. Rest In Peace, dear Cathy, and God bless. May flights of angels sing thee to thy rest.*
