“ *To the entire Stout family, you guys have lost yet another valuable inspirational part of your lives and wonderful family that you all are. I know how hard it is to lose a mom, grandmom, mother in law - but yet how special it is to know such a wonderful person. Try to find it in your hearts and know she is in a better place - no pain no suffering - and she is with all the people you love who have also left you so she is being well taken care of and in very good hands with them and God. The thing i will miss the most -I will miss the flip flops and never ever saw a pair of shoes on her feet. And I will miss hearing her and Tommy talking in church - you always knew they were there - you would hear them before you saw them. lol Love all of you guys my heart and prayers are with each and everyone of you.*

“ Nan, you were one of the most amazing people i have ever met. You were the most selfless person. You would do anything for anyone. You always put your kids and grand kids before yourself, and for that I thank you. I thank you for teaching me the things i know today, and for helping me along the way. You were my rock and my very best friend. I cannot explain how grateful I am to have grown up around such an inspirational woman like you. It was a blessing to have your help raising me. I'm going to miss you so much. I love you "all the way around the world and back again"
