Cathleen Ann Burkhead (55) of Westville, NJ passed away Thursday January 17th, 2019 after a 2 year battle with cancer. Cathie passed peacefully in the evening surrounded by her family with love and support.

Cathleen was raised in Westville where she attended Parkview Elementary School and Gateway Regional High school. Cathie met her soul mate and best friend Sandy Burkhead in 1984 through mutual friends and after a brief time living in North Carolina they settled back in her hometown to raise their family. As a mother she was heavily involved in the lives of her children through sports, cheerleading and school functions. Cathie was an extraordinary example of a great wife, mother and friend. Her commitment to her family was felt so strongly every day and we are all blessed to have learned from her example.

“ From Katy Malina and Crystal:

Sandy, and kids I don't even know where to begin to express my sorrow and sympathy for your family. I remember when we lived in With, I was so happy to have your family be a part of my kids lives. Struggling as a single mother and making many mistakes, I looked up towards the sturdiness and faith that your family brought to carry on and make good decisions and do right by the children. I'll never forget how loving Kathy was to my girls and how happy they were to spend time with your family. I grew out of my ways and ended up doing very well by my children by the grace of God, and I can proudly say that the Burkhead family was part of helping raise my girls. We love you and wish you all the strength that Jesus can offer at this time.
