“Denise, Brian and family, We were so sorry to hear of Chad's passing. Heaven has another angel. From the time we met him, as the "cook" at Sacca's, we loved him. He was a great kid. I can remember him doing the "scratch-off" tickets with Bob and wanting to "double check" Bob's losers. He will be missed greatly. Our thoughts and prayers are with your family. I will call you soon. XO

“Denise, Brian, and Shawn,
We are so sorry for your loss of Chad. He was a great kid with much potential. Denise, he was a very sincere young man who loved you very much. I remember him telling me of his dreams of going to chef school while he was working at Saccas with you. I believe he is now an angel in a safe place where he will find much comfort. Everyday he will look down upon you and protect you in his own way. Please believe he will never leave you, he will always be by your side wherever you are and whatever you are doing. I hope we can get together soon, I pray for you and hope to see you soon. Your friend,
Pam
