“ I am so sorry to hear this. We didn't know Charles that well but he came over and did some things for us around our house. He was always so friendly. It had dawned on me that I hadn't seen him on Facebook in a while so I checked his page and of course there was no recent activity so I searched and discovered he had passed. I am so sorry for your loss.

“ I forgot to mention. We nearly went over the side on the boardwalk to the sand below. No one was hurt but a lot of fun

“ Remember when you Bobby, and I rented a two or seat bike. And tried to bike on the boardwalk in Wildwood. The bike was too heavy for all of us.

“ I will always remember the week I spend with my cousin Charley in Wildwood. My aunt had a large rooming house on Glenwood Avenue .  
Charley and I were around 12 years old. It was the first time i was away from my family. I was not a happy camper but it didn't last very long.  
Charley kept me busy going to the beach, getting doughnuts in the morning and walking the boardwalk at night for Mack pizza.  
We grow distant over the years but I always had a special affection for my cousin Charley.  
Thank you Charley for being there for me .  
Love always your cousin Mickey
