“ *Chuck, I can't believe it has been more than 3 weeks already since you have left us. Jimmy and I miss you more than words could ever express. But I hope you know how much your family truly loved you, and now that includes me too! You were so good to me and accepted me into your family so easily and I can't thank you enough for that. I wish you could have been there to see your son ask for my hand in marriage but I know that you were watching down on us. Now we can only hope to create a family and home like you and Meg had. We miss you and love you so much. Hope you and Jack are behaving up there! Love, Lauren*

“ *One of the best parts of my life was to be Chuck's mother-in-law. He was my friend and a really great person. His family meant everything to him and always came first with him. May God rest his soul and bring him home with him. I love you Chuck--Anne*

“ My moment with Chuck came as a handball doubles partner a few years back. His enthusiasm, skill and passion for the sport was remarkable. If he was in any way the gentleman and sportsman on the court then he must have been a super guy off the court. I am so saddened to hear of his passing and am even further saddened that I will not be able to cross his path again. Please accept my sincerest condolences. Chuck you are already missed.

“ Sincere sympathy and condolences to the family. Chuck played in many handball tournaments at our home club. He was always a great competitor, & referee. Nicknamed "Captain Hook" for his great hands and shots. Well known for socializing and sense of humor on and off the court. Reading Handball Club.

“ Dear Meg, Charlie, and Jimmy: Please accept our deepest condolences on the death of Chuck. Know that he loved all of you, and enjoyed all of your events. We all have fond memories of the kids in HS and sporting events. My pleasure was to formally meet him as a Formula Rep. while working at UMH. "It's a small world" is what I said! Our children knew one another, and later Adrienne and Jimmy dated!:-) His good nature and sweet smile will always be remembered. May the Good Lord look upon you, and help ease your pain at this difficult time. We will be praying for you. (Feel free to call at any time!) MEMORIES LAST FOREVER..... Blessings to you and yours.

Words are not sufficient to tell you how much I cared for Chuck. I was blessed to spend the last couple of years in Ocean Sands....sharing good times around a fire, playing LRC..enjoying beautiful sunny days..laughing at his fantastic sense of humor. We created many memories which I will cherish forever. He will be missed.

“ *If tears could build a stairway and memories were a lane We would walk right up to heaven And bring you back again. No farewell words were spoken No time to say goodbye You were gone before we knew it And only God knows why Our hearts still ache in sadness and secret tears still flow What it meant to lose you No one will ever know But now we know you want us To mourn for you no more To remember all the happy times Life still has much in store Since you'll never be forgotten We pledge to you today A cherished place within our heart Is where you'll always stay.*
