Charles is my first cousin of the Brewster side of the family from Mauch Chunk. No one in our family referred to it otherwise, always Mauch Chunk. Charles served aboard the nuclear submarine USS Ethan Allen (SSBN 608) when she was newly commissioned. While serving aboard her he earned his “Dolphins”. I would frequently ask Charles how fast she was and he would always say “pretty fast”. Charles lived a pretty fast life too.

“ *Dear Lee and family,*

*Our sincerest condolences on the passing of Wolf. It was always a pleasure to have Wolf at one of our holiday gatherings---he always had some interesting and humorous stories to tell! It seemed he was friends with just about everyone in Gloucester County!
Although there is now sadness, in time, the wonderful memories you have of Wolf will bring a smile to your lips and a twinkle to your eye every time you think of him!*

With sympathy,
