“ As with most families things get in the way and we don't spend as much time with our families as we would like to. When it became hard for you to get out of the house, I tried to bring Mom over to see you more often. Our bonds with you, Dee and the family became stronger once again. After mom passed I still always tried to keep those visits going. During the last several years we have shared hours and hours of laughs while reminiscing about the things we did growing up. The times we shared with our family. Memories of Mom, Dad and Roy, our children, grandchildren, cousins, aunts, uncles, neighbors and the neighborhood kids we grew up with. Of course our many years of summers at the shore and the times with Harry and Janet, our summertime brother and sister. I feel so very lucky to have spent that time with you sharing our memories. These are the things I will remember and always hold dear to my heart. I will miss your laugh and your smile..... Rest in Peace, I will love your Forever

“ *It's sad to see Chuck leave but his leaving has also reminded me of many happy memories that was shared with Chuck and Dee. Chuck was a great neighbor always ready to lend a hand. The mailbox that Chuck and Dee put up in my front yard still stands and still looks brand new. Dee added her beautiful paint touches of hummingbirds and flowers which I love looking at every time I drive up. When a tree fell down on my house, Chuck and Dee were the first ones at my at my house to see if they could lend a hand. They truly had a loving marriage which is a nice thing to see now days. I know dee will be fine as she's surrounded by her family and friends. Will miss you Chuck, your smile, the twinkle in your eye and you're funny jokes. Nancy*

“ *Uncle Chuck always had a smile and a hug everytime we would visit. From the time I was young, I always felt his genuine love and concern for me. He would never turn me away when I wanted to talk or play. I could always see joy, kindness and compassion in his eyes, hear it in his voice and see it in his smile. He was truly a gentle and loving soul. I loved his whitty sense of humor. And he would always have a mischevious twinkle in his eyes when telling a story or playing a prank on us kids. I enjoyed visiting as an adult and having wonderful conversations about life, faith and family. He was always open to talking about anything and always listened. Although his physical presence will be missed, I will carry all of his loving memories in my heart. Remebering you, Uncle Chuck, with love and laughter. Love Stacy*
