“ Charlie was a great guy, we've known him many years. He always had a funny story to tell or a joke. We called him the tooth fairy because he was so good with teeth, he knew just what you needed and always fixed the problem you had. These last few years charlie was carving wood and he did some wonderful things, he was a very talented man. He will be sadly missed. My heart goes out to his family and friends who loved him very much.
We will miss you my friend.
