

Christina M. Barrineau

January 17, 1989 - November 17, 2017

Christina M. Barrineau – 28, sadly passed away on November 17, 2017. Beloved daughter of Margie Barrineau (Mike) and Ronald Barrineau, Sr. (Mandy). Loving sister of Ronald, Jr. and Brian. Adoring aunt of two nieces, Isabella and Emma. Devoted niece of Marion Crocker and Georgia Eitel. Also survived by many aunts, uncles, cousins and special friends who affectionately knew her as “B”.

We all will greatly miss her love of life, caring heart and a smile that would light up a room. She was the most precious daughter we could have asked for. To know her was to love her. “Live Life With No Regrets”.

Private memorial will take place at a later date.

I miss you so much auntie. It's Emma. I love you so much and I really miss you. I always watch The Nightmare Before Christmas, your favorite movie. It's mine now too. It's been 6 years, I'm 12 and about to go to 7th grade in September. I wish you were still here to see me graduate, but I'm very grateful for our memories. Love you always, Emma. ❤️

“ *B, I know we haven't talked or seen each other in a while but you were always considered to me as my best friend. No matter how long it's been we always picked up right where we left off or it seemed as though time never passed. I'm going to miss so many memories of us and our crazy lunch table lol. Fly high with all the angels!!! Love you lots B!! Watch over all of your friends and family.*

“ You will be missed by myself and my kids you were such a good person to walk to when I was pregnant and pissed and seen you on street you tell me calm down and go the hell home of course you would make me laugh a but ton before making sure I got home.. then you got to see each those baby's bece the individuals they are today that's the best memory's I had because if I'd of kept walking I probably would got hurt or went in labor alone... Thank you for that... The other great memory is of you when I was a teenager u were so lil lol but wanted your hair and make up done it wasn't something you were comfortable with after you seen the results so back in a ponytail u went lol such passion and happiness for helping others be happy should never be forgotten and never will I'm super glad my 5 of 6 kids met you...

“ I remember when we first met B, we were so young, I enjoyed you coming shopping at acme. Seeing you always put a smile on my face and brightened my day. I hope it did the same for you. You were an awesome friend. I enjoyed our chats. I remember the first time I came to your house lol. I know we grew apart a bit in school. But we always speed to catch up when we crossed paths. You were an amazing person, and gone too soon! Until we meet again! Fly high, and look over your family! They need you more than ever. Lots of love and hugs! Until we meet again my friend, much love!!
