“ *I grew up across the street from Tina. Ive spent many hours and nights sitting on the front porch with her and cindy when I was younger. I always played with the dogs and just hung out and had so many great conversations. One of the first times I crossed the street by myself was to go over to her house. I will never forget you Tina*

“ *I have many fond memories of Tina and am deeply saddened by her passing. She always had a smile. She was an incredible athlete. Some of my fondest memories were on the beach. In Wildwood we dug a hole so deep we both fit in it (picture posted). In Florida she got burnt to a crisp, which wasn't funny, except I can see her in the bathtub filled with ice. Tina was a good friend.*

*My thoughts and prayers go out to the family*

“ We are so sorry that we cannot attend the service for our niece Tina. She was much loved and will be dearly missed. The memory that stands out most for us was one Thanksgiving dinner at our home when we had a deep fried turkey. None of us had ever had it and funny as it seemed to us at the time, when it was necessary to "dry" the turkey Tina asked for a hair dryer and proceeded to do just that. We all thought it was crazy and laughed and laughed watching her handle the hairdryer and the turkey inside and out. That deep fried turkey was one of the best we ever had, thanks to her drying technique. Over the years we have told this story many times. We will continue to smile when we retell this story and we will keep Tina in our hearts forever. We love you Tina.
