I clearly recall Chris (and Marie) being the first to welcome me to the St. Margaret's family, and we truly were like a family, when I transferred there in the third grade. The Polidoro girls were always so sweet.

I remember Chris always finding humor in things. I can still see her cracking up laughing, which would make me start laughing even if I didn't know what she was laughing at. Chris was the type of person that could put people in a good mood just by being in their company. I have a lot of great memories from those years and Chris is a part of them.

My heartfelt condolences to Chris's entire family, and especially to those I know personally - Mr. and Mrs. Polidoro, Marie, and Joe.

*Sincerely,
Mike Ruffalo*

“ I'm very sorry to hear of Chris's passing.

I clearly recall Chris (and Marie) being the first to welcome me to the St. Margaret's family, and we were a family, when I transferred there in the third grade. The Polidoro girls were always so sweet. Throughout our grade school and high school years, I remember Chris always cracking up about something, which would always make me crack up even if I didn't know what she found so funny. I have a lot of great memories of those years and Chris was a part of them.

My condolences to Chris's entire family, and especially those I know personally - Mr. and Mrs. Polidoro, Marie, and Joe.

“ My dear childhood friend, you left in my heart with so many wonderful memories of growing up together. You and Marie were my first friends in St. Margaret's and we continued that friendship until our adult years. I am so saddened that you had to leave us so soon, but I thank you Christine for leaving me with so many joyous memories that will always stay in my heart. My condolences to your whole family, I loved them all and they always welcomed me into their home with open arms. I'll miss you dear friend but I know you are watching out for your family from above. God is taking care of you and Weeheart! I love you. ❤️ Your friend Bern
