

Christine L. Stefanowicz

October 10, 1963 - October 12, 2025

Christine “Tina” Louise Stefanowicz, age 62, passed away on October 12, 2025. Tina was a beloved social worker, and she especially enjoyed working with children. Tina was loved by all of her clients. She also truly valued her independence. Despite being diagnosed with Juvenile Rheumatoid Arthritis at 18 months old, Tina decided to thrive. She had knee replacements in her late teens and early 20s, and she decided to tackle the world! She decided to get off disability, and she attended Rutgers in Camden and earned her bachelor’s and master’s degrees in social work over 25 years ago. She held many jobs working in social services over the years. Despite her mobility issues, she decided to thrive.

Ms. Stefanowicz is survived by her only son, Travis Scott Crawford (John) of West Deptford. She is also survived by her siblings Carole Joiner (Jim) of Gloucester City, Anthony Stefanowicz Jr. (Marie) of West Deptford, Joan Bessing (Jim) of West Deptford, and Ellen Goetchius (Gary) of Deptford. She was predeceased by her sister, Lorraine Stiles, and her nieces Nannette Nuzzi and Francine Vennell. She was also predeceased by her parents, Anthony and Alberta Stefanowicz. She is survived by many nieces and nephews and her cat, Leo.

She was a warrior and she is no longer in pain.

She would be mortified if her favorite musical artist was not mentioned. Tina loved listening to Stevie Nicks!

And the woman may be awestruck
And the woman may truly care
But the woman is so tired
So the woman disappears

“ Christine, I'm gonna miss you a true friend you were. We laughed, cried and we became sista2sista our friendship code. You were very strong very strong and I will always remember you and cherish our friendship. Now when I see a little red car, I'm gonna know it's you saying hello because I will always remember you, I and Youtube rebuilding your little red car. We watch YouTube, we put that car back together with Chris. That was a good car. it was strong and it lasted. Don't remember the name but I know it was a good car that car had a lot of willpower. It was stubborn, but it never gave up just like my friend Christine. I love you.. 😞❤️
