“ *Although I have not seen or spoken to Chris in 30 years, I have many childhood memories of Chris. One in particular is of a tent we constructed in his yard. It was made from sheets and blankets. I remember "camping in it one night". It's funny how we often remember what seems to be something that is so simple. My heart felt condolences to the Scholding family during this time. I'm sure memories of his spirited time with us will in time bring comfort and more than a few smiles.*

*God Bless,
Ken*

“ *My deepest sympathies to the Scholding. I have fond memories of the younger years hanging with Chris in Country Club. May he be at peace and leave the families fond memories.*

“ As a school friend I will always remember Chris as the picture you displayed here. Time flies...I remember when he was in a music group- can't remember the name- and his group including John, Steve and Rich from school played at my birthday pool party in Country Club Estates- what fun we all had. I remember Chris as smiling, fun and easy to be around. So sorry for your family to have lost him so soon. Take Care
