“ Growing up in Westville Oaks was like family on our Clearbrook Avenue. Every mother looked out for each others children. I remember your mom fixing up my knee after I had fallen or giving us ice pops on a hot day. We all will miss her and hope the wonderful memories you have had will sooth your hurt and heal your heart. May God keep you in the palm of his hand and always keep God in your heart.

“ John and family please accept our deepest condolences on the passing of your precious mother and wife. I am sorry that we are unable to be with you in this time of need since we are now living in the the Pocono's. Just remember that we now have another Saint to intercept on our behalf to God Our Father. God has been good to all of us to have had our mother's as long as he have especially in our time of need, so her assignement is completed and now she has another assignment and that is to enjoy her eternal life with him. Losing our mother's at any time is tough, but time will heal, however she will always be in your heart NEVER stop talking to her, she will answer you spiritually. I know because I often speak to my mom and she answers me. Love and Prayers to the Childress family remember that she will always be smiling down on all of you.

“ Dad, John, & family, As I sit and try to think of what to say about Mom Childress, so many things come to my mind. I have had the GREAT pleasure of knowing Mom Childress for many years. I met her through John, and wound up spending more time with her and dad then with him. I would call her just to say hi. She was a wonderful person, mother, wife, and friend. I never met a family that would take you in as one of there own, until I met her. Mom Childress has touched a place in my heart, and in everyone she has known. I will miss her. I know she would want her family and friends to go on and live life, and embrace each minute that you have. Love you all!!
