“ I am heartbroken to hear of Claire's passing, but I rejoice in knowing she is with God in all his glory. My memories of Claire are nothing but positive. In a brief period in my life Claire was as close to me as any mother but my own could be. One of my cherished memories of Claire is when she counseled me after my relationship with Patty ended. She sat down with me and helped me get through a very trying time in my life. I know I haven't spoken to her in several years (I ran into her and Bobby a few years ago at some department store) but she remembered me and gave me a great big hug. I am truly saddened, and will go to sleep tonight with a heavy heart. Prayers to Patty, Bobby, Debbie, Jeff and Sandy. I still feel like you are all my brothers and sisters. Peace be with you, Don
