“ *When I think of you I will look above and send to you all of my love. You will be missed by all that remember you, and deeply touched by all that knew you. You are home now with GrandPop where your heart had a hole. From the very first day you met him all your smiles he stole. We will meet again someday, for this I know. Save a spot up there for me, I can't wait to say hello.
With all my love, Stephanie and Gavin*
