“ Marc, Karen, Kayla, Lily,
We have been struggling to put into words how sorry we are for your loss of Clara. Devastated, heart broken, crushed, and lost are only a few that come to mind. We keep picturing Clara's beautiful smile and her amazing personality. We know she brought joy and happiness to everyone that was lucky enough to have met her. Our boys adored and loved her like the little sister they never had. We want to thank you for sharing her life with us. She will be remembered always and forever in our hearts.

“ Karen & Marc,
Thank you for all the times you have allowed Chloe and I to take over your house and make so many amazing memories with Kayla, Lily and Clara that we will forever cherish. Clara's smile in that bouncer lit up the whole room, never a happier little girl. When I think of Clara, I think of the word hero. Heros save lives and Clara did just that.
I love you all so much.

“ The word that comes to my mind is Thank you! Thank you for sharing this beautiful little girl with me. I loved all the times we had together. Her sweet smile & pleasant personality warmed my heart. Her chubby little shape & beautiful eyes will always be remembered. Gianna & Anthony adored baby Clara too. Her Halloween costume, Gingerbread party, church dedication, first birthday, dance practice & many play dates will always be wonderful memories. As horrific & unfair as this is, I still want to give thanks. Thank you to God for bringing Clara into this world & Thank you my dear sweet friends Karen & Marc for allowing me to say "good-bye" to your precious baby girl. I will cherish all the times my family & I had with Clara. I love all of you & will be here when you need me.?????

All I have is yours during this tremendously difficult time and in the days, months ahead. Brett and I love you and your family, just as Ethan and Kendall treasure Kayla and Lily. We all adored Clara, and she brought an especially sweet glimmer to Ethan's eyes that I will never forget. She will live in our hearts and home for all our days. Love you, my dear friend.
