“ Colette, For many years my mother and your husband have worked together. During that time, I had heard nothing but wonderful things about you. I know we didn't know each other very well, but you were so kind in giving all of your extra clothes to me the whole time I was growing up. I happened to see John at the hospital a few months ago and told him to say 'hello' and 'get well soon!' to you on my behalf. You were truly something, and you will be missed dearly. To Colette's friends and family and wonderful husband, I am so sorry for your loss.

“ John, Mike, Bobby, Julie & Ethan,
My heart goes out to you. Colette was the most incredible person I have ever met. I'm SO GLAD our lives intertwined at the pizza shop and I'm so happy Julie walked up and grabbed my giant belly. :) Life has never been the same since.
Colette, you are a kick butt person with a heart of gold. Look out for all of us while you look down. I know we will ALWAYS find something special of you in everything we do.
Love everyone and sending GIANT hugs...
