“ My condolences to my beautiful cousins. We loved Auntie Connie very much even though we did not get to spend as much time as we wanted to but we're happy that she got to spend time with us in New Mexico in 2014. She stayed at my home with her sister Esther and they had a lovely time. It was great to have both of your parents at my home and will always be grateful they did. I spoke to your mom about three months ago and we always had lovely conversations and I will never forget her calm sweet voice. I know your mom is in heaven and I know that she is finally at peace and out of pain. May you have comfort in knowing that she is in heaven. We love you
