“ *Frank, The service was extremely warm and moving. My wife said it was one of the most moving services she has seen and your family was wonderful. She now understands why I am like the way I am, always concerned about safety. I'm sorry we couldn't make the luncheon. I will be making a donation to the library in your wife's name. Both my youngest son and his girlfriend are ICU nurses. I may take you up on your kind offer for a few bears for sick children in the UNIV OF PA HOSPITAL and CHOP. Again, our sincere condolences. Ron and Mary*

“ I was sorry to hear of the passing of Connie and wish to express condolences on behalf of myself and the Remick Family. Though we have never personally met, I feel as if I knew Connie and Donna from stories that were shared with me from our grandmother Phyllis Remick. As a young girl growing up, my grandmother would tell me about her "other granddaughters, Connie and Donna " When I asked where they were, she told me that" they live in New Jersey". "Do you know that they live in a log cabin!" etc.. She was very proud of both girls. The excerpt about growing up in the log cabin and State Archery Champion were what brought me to the realization that Connie was one of "the girls". I immediately thought of my grandmother R and that somehow she would want me to share this story with you and in someway is with you all today. My thoughts and prayers are with you . “ My deepest sympathy and condolences go out to your entire family. I volunteered in the Centre City Library with Connie for 8 years. She always enjoyed decorating the Library with seasonal themes using her Boyd's Bears, etc. We stayed in touch via Facebook after she retired and was always so excited to see how my 2 children were 'growing up'. We also saw each other at the Peking Buffet on Friday evenings occasionally. She will be missed very much. My prayers and thoughts are with your family during this difficult time.

Sending my condolences to all her family and friends, keeping you all close in my thoughts and prayers. So sorry for your loss.

“ We are deeply saddened to by Connie's passing. Kristin and I have so many fond memories of Girl Scouts Troop 002 and Connie. She introduced me to the joys of Girl Scouts. One of my favorite memories of scouts with Connie was when camping one particular cold weekend in October and Frank coming down to the camp early in the morning to make sure we were okay and had enough fire wood. Connie touched n any young lives through scouts and being a school librarian. She was passionate about collecting Boyds Bears. She was so excited when she found out she was going to be a grandmother. She loved Jacob so much and was so happy to share photos of him. Connie I will miss you.
