“ *I would like to express my deepest sympathy to Butch, and Connie's entire family. Although I did not know her personally, I would see her often at family gatherings. I remember Connie as being a happy person. She loved to laugh, had a great sense of humor, and always greeted me with a smile. I was shocked to hear of her passing at such a young age. She will surely be missed. May God bless you all.*

“ *In life you meet a lot of people & usually you can recall at least one bad memory or character trait in someone... Not my Aunt Connie! I've been almost trying to pick my brain at it and I have nothing! My Aunt Connie was ALWAYS so sweet, helpful and full of knowledge. She could make anyone smile! Every time I seen her I'd hug her tight and tell her I wish I could be as short as her :) She'd laugh and tell me, "No way! You need a chair for everything being this height!" My memories with her are all so good! I know you're in heaven now making my Mom mom and Pop Pop laugh! Thank you for always keeping a smile on my face. I love you so very much. Until we meet again, rest in paradise xoxo*

“ *Aunt Connie was one of the most kind, caring, loving and hardworking people I have ever known. I am very proud to say I had the privilege to call her family. She and Uncle Butch helped us out when life was really hard for us even though life wasn't easy for them either. I will never forget her loving nature. She was also one of the funniest people. No matter what kind of day I was having she could always make me laugh and bring a smile to my face. She made time to play and be silly with my little girl whenever she was around her. She was everyone's Aunt, whether blood or not. The world couldn't have lost a better person and Heaven couldn't have gained a better one either. We will forever miss you and hold you close in our hearts! We love you Aunt Connie!*
