“ *Condolences to your family. My son Lucien was Cormac's best bud in kindergarten and we never knew why he wasn't at school anymore. So so sad to see this. I cannot imagine what you are going through. Lucien loved him and we must've heard so many Cormac stories after school. So sorry for this loss.*

“ Mac was just an amazing little boy. I will always remember him running towards his mommy's office with a huge smile and a big hug for her. Sometimes I would get one to and they were the best. I will remember you always Mac. 💜

“ Being with Cormac was always a treat. I loved listening to his stories and explanations, and especially loved his bright little smile. I could often look forward to him standing up in the middle of my math lesson, facing the class with marker in hand, and explaining it to them "just a little bit better"! I smile when I think of him, though my sadness and sympathy for you and your family are great. He was an endearing and special boy, and he will surely remain a bright spot in my heart.

“ *I only met Mac once, but when I did, he was smiling from ear to ear ... happy to see his Mommy at work. He had a smile that made everyone smile no matter what kind of day you were having or what mood you were in. Mac was such a handsome young boy who was taken too soon. He will be remembered*❤️

“ My Grandson Cormac was one of my favorite people to talk with, as a matter of fact most of what I know about the Solar System and the Universe, I learned from him as a toddler. He was an amazingly brilliant little star that burned out way too fast It was a privilege and a pleasure to have been his Grandmother. I will miss him every day for the rest of my life. I love you Mac.

“ I have a lot of memories of Mac but the one I will remember the most was on his 6th birthday party in Sept. at the bowling party. The kids were all having a great time bowling. My back was causing me some problems and I managed to find a seat at the picnic table off by myself, when all of a sudden I realized that someone was there, Cormac had crawled under the table and popped up next to me with that silly grin on his face. He stayed a moment then he was off to play with the other kids again. He was such a cute little peanut and I smile every time I think of that day. He was special and unique and he may not have been here long enough but I will never forget him, and he will be in my heart forever.

“ Cormac was a wonderful young boy. I will always think about him on Mondays during Lego club. He would make me a Lego pizza with a donut. We had some interesting conversations that I will treasure.
