“ *I have lost a brother, a freind, a teacher. A brother to take rides with
when you get a new car. To go get a burger with when dads cooking
was bad.(alot)To go get lost in the woods with for awhile.
A freind to talk to when no one would listen. To share lunch with
during the week. To give me a laugh when I really needed one!
Most of all a Teacher. You taught me to be very thankful each and
everyday just to wake up from a good sleep and go to work, do
whatever I wanted and at a early age learn to watch out for, take
care of, and love someone. I hope to hear you play that clarinet
some day!!! William.*

“ My cousin Ricky was always part of the family get-togethers at Grandmom & Grandpop's place on Delsea Drive every Sunday. As our parents caught up on the week's updates and old stories, all of us kids played together and argued about the rules of every game in the huge backyard until it was time to eat with Grandpop (the adults always ate together, but Granpop was always with us.) Ricky was part of the gang all the time, whether it was on Sundays, canoeing with Uncle Tom, my Dad and the boys, or the noisy times at his house, Uncle Frank's or ours. I miss those times with all of us together, but cherish the memories. We'll miss Ricky. He was one of us, and always will be.

“ Due to his physical handicaps, I sadly was never really able to have a close relationship with my Uncle Ricky, but I loved him just the same! I know he's with Mom-Mom now and that brings great peace to my heart.

“ Dear Marker Family, I will never forget this Beautiful Soul that touched so many lives. In the years of 1989 and 1990 I had the priveledge and blessing of caring for Craig at CCHSC. I remember well the family pictures at his bedside. I remember that Beautiful smile. As I remember Craig also loved Music, and if I am not mistaken as a child he played the clarinet. His life of courage was an inspiration to all, and yes now Craig can run, dance, sing and even play the clarinet. The memory of this beautiful man has always stayed with me and always will. Respectfully, Walt Kingston R.N.
