“ *To Cris's Family,
I was so shocked to hear about Cris's premature passing. She was always such an upbeat, positive person. I have many fond memories of her and our times together.
If anyone has the time and is comfortable letting me know about her passing, I would appreciate it.
Please accept my deepest sympathy to all of you.

“ *I am so sorry to hear of your Mother passing. She is the one who taught me how to tat, and got me interested in making lace. A fine person she was and a great lacemaker. Sincerly, Dot Yanak*

“ *Cristina was my tatting teacher many years ago and also a member of our card stamping group. She was a very talented, kind and giving person. We will miss her! My deepest sympathy to her sons and daughter-in-law, whom she often spoke of and loved very much.*

“ Jared and Ryan, I was shocked to see the obituary in the Lincoln paper today. I'm so sorry! I knew she had not been very well lately and I wish I had tried harder to keep in touch with her. She was a special lady and I will miss her. Every time I pick up my tatting shuttle I will think of her since she was the one who taught me almost 15 years ago. I will keep you in my prayers! Paula
