“ I send my deepest condolences to Cyns family, friends and fur babies. I wish so much I could have been there for her. Cindy has been my best friend-sister for 54 years. I have so many memories to treasure. Cyn has been a loving generous friend and we have shared crazy fun times. She rushed to my side even though she was not well to comfort me in hard times. Always had the the right words because they came from her heart. And she does that for everyone. I will miss her. She has been a monumental part of my life. We will be together again Love is eternal.all my love Donna Keegan
