“ *Cyndi was part of the Lake Drive gang of kids. We all new each other and got along so well. Many great times were had at the "swim club", hole in the ground, which i am sure she shared her expierencences there with her family. I offer my deepest condolences to you her family. She will never be forgotten by those who were blessed to know her.*

“ *Very sorry to hear that Cindy passed, just too young. Even though I haven't seen her in some time I will remember growing up in the neighborhood and all the great times we had as children and teenagers together, especially down at the pool. She was always a sweet person and thats what I will always remember. My deepest sympathy to you all and of course your families.*

“ Steve, Chad, Luke, Dolan and Jackie, no words can express how very sorry I am for your loss. Cindy was truly a beautiful human being both in her love of family and of all living creatures. After 45 years I still have a picture of her from when we were little standing on my hill side by side, in the shade of our old weeping willow. I'll always remember her as part of my early youth and I consider myself blessed having known her. God Bless you All.
