“ Well Danny, I saw a kid riding his bike last night on my way to our niece's house. I swore it was you. How can that be? Its been awhile and still I look at every bike rider and hope it is you. I know you are up there with Mom and Michael and at peace, finally. I miss you bunches and hope that you finally realize how much we all loved you. Our black sheep. I have lots of fun memories of us when we were younger, I wish we could have had more time, made more older memories. Take care of Mommy and make sure the "POOK" is being good. Until we are all together again, know I think about you everyday and that I miss you. Your birthday is coming up and you'd be old 45 WOW!! Can you believe your little brother turned 40? Life goes on, and time stands still for no one. Thinking about you and wishing you were here. Love your brother.

“ My sympathies to all of you.
Danny, "Mrs. Mean" will miss you, even though you were a pain in the A--. You & Kev were bad buddies & good buddies & he never forgot you. Your passing to the other side affected him very deeply, but he was unable to face your services. Kyle went with me in his place & he was very upset. You were the first person that passed that he really knew. All the "Gardens" were there for you, & we had good memories along with some that weren't so good. But you will be remembered by me, every time I see a kid on a bike riding passed our house. You are with your Mom & Michael & are finally at peace. GOD Bless You.

“ I'VE KNOWN DANNY SINCE HE WAS BORN. HE USED TO DRIVE ME CRAZY, WITH HIS ANTICS. ONCE WHEN HE WAS ABOUT 10, HE BROKE THE AERIAL OFF MY CAR & STARTED TO LAUGH WHEN I CHASED DOWN CORLIES ST. HIS MOM (ANN) BEAT HIS BUTT & I TOLD HER HE DIDN'T MEAN IT.AFTER THAT HE WOULD WALK PAST ME & STICK HIS TONGUE OUT AT ME. I COULDN'T HELP BUT LIKE THE DEVIL. NOW I LOOK BACK & SMILE WHEN I THINK OF HIM. REST IN PEACE OLD PAL.

“ We are so sorry for your loss. Danny remained a friend throughout his life. There was never a time he didn't stop and say "hello" and ask how we all were. He always told my mom, Helen, " I love ya Mrs. Jordan." We will miss seeing him in the neighborhood and his funny personality. You could always laugh with Danny. We will definitely hold many memories from growing up with Danny.
