“ *The Loeffler Family;Roni Kristin,Robb,Jason: So very sad to hear of Dans passing, actually shocked. You're a great family, I feel terrible for the great loss and tragedy that has hit your family.He was a great dad, every game after Robb's match he waited for him to speak father son, man to man. I wish there was something more I can say to help you all feel less devastated. Roni, my heart goes out to you, your a great mom, woman & wife, I'm so sorry for all of this...Robb has always been there for my daughter Dana,advice,etc. Just a really good person in general you did great jobs as parents and if I can help in anyway, Robb can get in touch with Dana. “ *I've known the family since second grade. Hands down, the best neighbors ever. Dan and Roni definitely had the best partys and always included my family. Dan was and still is the perfect example of a man, husband and father. You will be missed. Rest In Peace. Condolences to the family.*

“ *Where do I even start. You were a great man! From babysitting your three beautiful children, to parties and swimming at your house, to Halloween with Roni and the kids, fun cooking in your kitchen, learning how to do make up with your beautiful wife. I always admired your love you had for your family, and wanted a family of my own one day just the same. I will never forget your voice when I'm at your back door of you calling the dog to come inside. Or driving by wondering if you were home to come down and play with the kids. You have left a true impact that will remain in my heart forever.
May God watch over your family always. My love and prayers.*

“ I knew Danny from my childhood; he was older, my brother's age, and I always admired him. But really only got to know and become friends with Dan later... I was in my early 20s and had moved back home after a year away at college and he was living back home too at that time. (My brother Jim once told me "call him Mr. Boisterous, he hates that" ;) Anyway, we would hang out from time to time, at the Loeffler estate in Oak Valley, in that back den or around the pool. We'd talk and drink scotch (something I never had prior and Dewar's & Rocks is still a favorite of mine). I look back and really cherish those times. My sympathies to all his family, those I know and those I've never met... He was wonderful, boisterous Man!

“ Our thoughts and prayers are with you Roni and your family. Danny had a magnetic and charismatic personality attracting many close friends, including us. We'll always remember Captain Dan saving the sail boat with the broken keel while bare boating with Maryann and Gilligan (us) and being pirates for ice at Club Med, great pig roasts, Eagles games, and wonderful house parties as our children were growing up. We will all greatly miss a good friend. Rest in peace Dan.

“ Dear Loeffler family:
I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ My deepest sympathies to Roni and the entire Loeffler family. I only saw Dan from time to time at the Loeffler family reunion, but I do have ample memories of great times by the grill, taking in Dan's stories about travel and of course his political views. “ *I knew Dan only thru the last year working with him at BGG. I enjoyed my time with him and recall having breakfast with him in Irvine before working the trade show each day. We talked about many things, but what we talked about most was family. He was very proud of his wife and children and you could tell his devotion and love for them. Dan was a good guy. He was spirited and witty and I will miss seeing and working with him. Peace be with you my Friend.*

“ I am so saddened and my heart goes out to the entire family. Dan and I were childhood friends growing up in Oak Valley and then as often happens we drift apart into our own lives. Fortunately through the sport of wrestling with our kids on the same team in HS we reconnected and it was great. I so loved and respected getting together again, it was great. I can only pray for strength for his family. I am so so sorry for your loss

“ We are deeply saddened by the loss of our good friend Dan. Our families shared many wonderful vacation memories together and we will always remember the fun we had in Oak Island traveling in Big Blue and the Barney Mobile. My kids will always remember Mr. Dan making big breakfasts in the morning, spending New Year's Eve together, fireworks, crabbing, fishing and countless hours on the beach. One of our first trips together the four of us went to Mexico and our last trip together was Mexico. We are so grateful that we got to spend that time together. There was no one who shared the same political views with Gary as Dan, those conversations will be missed. Dan we love and miss you. The Quick's.
