“ We met only briefly towards Dan's latter years when I was honored to have him as a guest on my boat. He caught a big striped bass that gave both of us some happy memories and a story to tell. Our thoughts are with you at this time and we hope you have many happy memories.

“ We extend our most sincere condolences to the Muziani family. Through my dear friend Rhonda, I was able to hear many stories about her father and actually it was through him that I was able to reconnect with her after ten years had elapsed. His protective voice thundered through the phone wondering who wanted what from his daughter!! But the message got through and shortly after Rhonda phoned me back.

It seems that he provided the family with a strong unshakeable foundation filled with humor and love which we are sure will endure for many many more years. You are each in our thoughts and prayers.

Lots of love, Allegra, Allen and Cecilia Gang

“ I never met Mr. Muziani, except in family photos. But I have had the pleasure of hearing all the wonderful stories about him through his daughter and my friend, Rhonda. So much is revealed in the images I have seen in him. His charisma, humor, strength, and the "family man" he truly was. Like an Angel, may he watch over his family from above, as he has done so beautifully in life.
