“ From our Family Barbiers and Lopaz, Our deepest condolences to all of the family. Our hearts and prayers to you all. Danny use to be at my mom's house as kids growing up with my brother Tom. He would always make us laugh. What a great personality and person, always smiling. I remember him talking about his food truck and how much he loved to cook. They are so many memories from so long ago. He will never be forgotten and always in our hearts. God Bless
