“ I feel deeply sad for the passing of Danny V. He was a very sincere, caring, loving, and thoughtful person. I am thankful for the time I knew you as great friends. I will always remember your open heart of kindness, generosity, words of wisdom, and the special times with your family. I know God will comfort you and place you in his kingdom of peace. I would like to offer this Prayer for my friend.

*Almighty Father, eternal God, hear our prayers for your son(Dan) whom you have called from this life to Yourself. Grant him light, happiness, and peace. Let him pass in safety through the gates of death, and live forever with all Your saints in the light You promised to Abraham and to all his descendants in faith. Guard him from all harm and on that great day of resurrection and reward raise him up with all Your saints. Pardon his sins and give him eternal life in Your kingdom. We ask this through Christ our Lord.
Amen*

“ I am so very sorry to hear. I am saddened by the news. Danny was a great friend and so many memories we had while growing up together. No matter where or when we ran into each other we always laughed and he always had a smile on him. My thoughts and prayers go out to his family and friends to have such a loss. With deepest sympathy. “ I am at a loss for words as my heart is broken yet again. I don't know why God needed another family member I love so much, but it is not for me to question. I know He only takes the best, and He must have needed you. I will hold our wonderful memories close to my heart and pray that you are happy and at peace. I take comfort in knowing the last words spoken between us was “I love you”.
