“ I believe I “know” Dave from the early days of AOL. I was a young girl who was/still is a devoted Phillies fan & was chatting on a baseball forum. My memory is rusty on how we began talking but I do remember him being very nice to me & mentioning he had tickets to the Phillies Winter Festival that I think was only available to season ticket holders. He said he wasn't able to use & offered them to my family & mailed them to my parents so we could enjoy the day at the ballpark. If this in fact the Dave Clawson I spoke with so many years ago, thank you so much for the tickets & that day. My parents didn't have a lot of money back then & my dad took myself, sister & brother to the event all because of you. I will remember that day forever because of your kind generosity.

If I have the wrong David Clawson, my sincere apologies & I'm sorry for the loss of your loved one.

“ I will always cherish the time we had at MSACROA with Dave and Kathy! We worked hard, laughed alot and became such good friends. Dave was one of the most genuinely nice and caring individuals I had the privilege to meet in my years working in higher education. My heart aches for you Kathy.

“ Dave and I went to high school together. We were the two managers of the high school basketball team. Then we went our separate ways for 52 years. I never knew that he did the same thing at Drexel and that he was in the Drexel hall of fame! We connected again at our 50th high school reunion a couple of months ago. It was like we never were apart! I feel so blessed to have been able to see him before he passed on.

PS

Kathy, thanks for sharing these photos. Dave is going to be greatly missed. Even though I haven't seen him since our Drexel days, it was a pleasure catching up with him on facebook for the past few years. He was an awesome human being. RIP Dave!!!
