“ *Dearest David, You and I will continue dancing together in the "Lilac Garden". I treasure those moments, with you in the wings up-stage left, waiting for the first note of the Waltz, or cue to begin the heavenly moment, dancing with you among the Lilacs. So many wonderful moments we shared dancing, rehearsing with the Pennsylvania Ballet Company. And then, years later coming together, seeing you again, to celebrate Barbara Weisberger, her birthday, our Leader, Artist-Dancer-Teacher-Director, of this magical Ballet Company with a huge and varied repertoire that she "gave" us.*

*So many memories we share of those dancing, touring, rehearsing days! Now I have you and The Dance, our Lilac Garden in my heart forever. We also shared the same birthday date! Every March 24th I've always given a toast to my Kindred Spirit and dancing partner! I will continue doing so on our birthday!*

*Thank you for being my Forever Partner in the world of Creative Beauty.*

*Continue on The Dance with your beautiful, gentle Soul. I have never stopped waltzing with you in my heart among Our Lilacs.*

*I love you always, forever, David.*
