“ *I will never forget all of the wonderful years I got to spend with my nephew David. He was such a lovely warm cuddly little boy! He loved to do anything and everything you wanted to do with him. He loves to swim and play the underwater under your leg game he love to play Marco Polo he loves to play hit the ball back-and-forth. He also love to ride bikes with his favorite cousin Sean. My children and David's mothers children all grew up together and played with each other almost every day and I am so glad that they had that when they were young!! He always looked out for my daughter DANIELLE his cousins and to this day they were still very close! We will love and miss you forever, love aunt KIMI*

“ I'll never forget the time we were twelve years old. We had snuck out of your house in the middle of the night and rode our bikes over to the bowling alley parking lot. We thought we were so cool, being out WAY past our bedtimes.

We found a springy mattress and started hopping on it with our bikes. I laughed so hard that night. We ah...the cops came, and he said he would race us back to your house, and if we got there first he wouldn't tell your mom. Hehe We didn't stand a chance but man, we peddled our butts off!

I love you man, and memories like this one flooded my head when I found out. My heart breaks for you and your family, D Lo. I love you, dude.
