“ *I am so sorry to hear of Dave's sudden passing. Mrs. Megary, as we discussed, please do not hesitate to call if there is anything I can help you with. My heart goes out to you. As we discussed, everyone seems to think this is so out of character and needs further investigation!*

“ It is with much grief that I learned of Dave's death. My heart goes out to you Mrs. Megary. As we discussed, this story is so out of character for Dave. We had spoken with Dave for at least 2 hours just a few weeks before he went missing and his attitude toward life was nothing less than positive. Hopefully, justice will be served and you will have some closure.
