“ My mom was a hero to me, and even though we didn't see eye to eye all of time I loved her more than she knew and not a day goes by that I don't miss her. She left us way too soon and I wish she was here to see her stubborn daughters accomplishments but I know she is looking down on me as I am looking up at her.

“ I miss you everyday! I often times stop myself from calling you or thinking I will see your beautiful smile again when I walk in the door. You're everywhere I go but nowhere near :(I love you so much and miss you immensely :(I wish I could've taken away all of your pain and suffering and hope you know how much I love you!

“ Dawn was my world and I am not quite sure how to go on without her. I cherish all the memories we made and am so saddened there's not a chance for more. Thank you for being in my life, thank you for sharing your heart and accepting mine. I love you and will miss you more than words could say! Both Dawn and I are forever grateful for all those that were in our lives and especially thankful for those that stood by us these past few rough years. She will be looking over you all!

“ Our deepest prayers and sympathies go out to Dawn's partner. We didn't get to know Dawn prior to her illness, but the light in both of their eyes when they looked at each other spoke thousands of words. Rest in peace Dawn. Melanie & Judy

“ *My thoughts & prayers go out to Dawn's partner & her family. I truly enjoyed my time with her, she was a very strong and determined woman whom I hope to be at least half of the woman she was. My heart is heavy today but it gets a little lighter when I think about how she left a little bit of herself with all of us. Rest In Peace Dawn.*
