“ I am at such a loss for words. Dayna has been my best friend, my sister my family since I was 16 years old. As we get older life takes people in separate directions but Even when we would go a while without talking we would always pick up where we left off like no time passed at all. Your beautiful smile and laugh could light up a whole room. I'm

So blessed to have had you in my life for so long. My prayers with your family, Johnny and your beautiful children I love you so much  
♥♥

“ My sweet Dayn, I just wanted to thank u for letting me see u grow up from a sweet little girl to a beautiful,smart young woman to a loving, caring mother. U always made me laugh& gave me support & advice whenever I needed u. I know mom & grandpop were waiting for u in heaven with open arms ( I believe it looks something like the beach) We will keep the kids in our lives & prayers always. Thank u for being my cousin & my friend. I'll always love u!

“ First let me express my condolences to Dayna’s family 🙏💔 most importantly my niece & nephews 😭 I can’t even process this STILL!! I’m so sick 😭 John I know how much you loved her💔 I can only pray for everyone that was in her life myself included 🙏 I know my heart is crushed horribly along with the girls of course!! You Knew how to Light up a room with your smile and your laugh! I want you to know that you will never be forgotten ever I wish you didn’t have to go but I guess God had other plans for you, for you to be his angel and for you to watch over those children at all times! At least I know now that you’re not alone and that you’re at peace now, and you were no longer hurting anymore!! I will forever be there for my nieces and my nephews that will never change! I’ll keep your memory alive through many stories and much fun that we’ve had and shared together, another one lost see you soon, you’ll be very missed And I love you so so so much and I hope you know that!!!

*Bill (Yump) and Sharon, I'm so sorry to hear this news. I cannot imagine the grief you're going through. No one should ever have to bury a child. I haven't seen you guys in many years, although I know you live only a few doors up the street from my mother. Stay strong, you guys will be in my prayers. God Bless!*
