“ Debi and I had many great memories, too many list, but I think a few of my favorites were dancing at Schooners Oldies Nights and riding adventures in her gold Trans Am. We spent many years joined at the hip. Her family became my family and my family became her family. She was such a giving person and would do anything for anyone. She was a great cook and she enjoyed feeding others her specialties, especially her potato salad. While life got in the way and we didn't see much of each other, I still loved her and missed her. Thanks for the memories my forever friend until we meet again. Sending hugs and prayers to Jim, the rest of her family and all who loved her.

“ Our hearts are broken! Debbie & Jim are very dear friends and have been for soooo many years!!! Everytime I see a Red White & Blue top, I want to text her with a picture of it and ask her if she already has it!! Most of the time, she did!! Her & Jim catered our wedding in 2004!!! And I had the privilege of marching with her in the Aux Color Guard sitting on the winning Aux Float in Woodbury parade and was her Historian or Chaplain during many of her years as President of the Aux. Jim & Debbie sponsored so many families at Christmas!!
She will be missed for her sense of humor, her laugh & her devotion to her family & friends at the American Legion
God speed Deb!! See you on the other side my friend.

So sad to hear of Debbie's passing. She was too young for that to happen. Debbie and I grew up together and lived one house away from each other on Chestnut Avenue in Woodbury Heights. We were together almost every day for most of our young life. Trip and Donna Marie also. Our parents were very close friends also. Debbie and I were also the cheerleading coaches for Wdby Hgts and went to many competitions with our girls. Many tears were shed when I so this. She's surely will be missed. She was one in a million 😭🙏. Sending prayers and love.
