“ *April, Joe, Jordan and Remy, I am so very sorry for your loss. April, your Mom loved you like no other, you were her mission in life, she always wanted your happiness. nothing made her happier then when she became a grandmom. She will live on in your hearts and yes memories live forever. I'm always here for you. You are not alone.*

“ *April, Joe, Jordan and Remy I am so very sorry for your loss. April, your Mom loved you so much and made you her one true mission in life. Don't ever doubt that. She would want all of you to heal together and remember her in a happy way. She was a strong lady who always wanted the very best for her family. I know she struggled this past year and a half and endured more than most, but please take comfort in knowing her heart and soul are at peace now. Sending you great big hugs.*
