“ Sorry to hear of your loss Rick & Angela and Family. I was a client of Denise's for about 15 years until she retired from her shop. She was always so kind & easy to talk to and then started doing my mother's hair as well until she passed. I live nearby & kept thinking it was odd not to see your house decorated for Christmas, Denise made beautiful wreaths. I just happened to be on here looking for another's service & was shocked to read about Denise, my condolences to her family.

“ For the short time I knew your mom I knew she was a wonderful person who loved her husband and daughter whole heartedly. I believe people come into your life for a reason and your wife/mom brought me back to the reason why I became a nurse....to care for others unconditionally. She is one of the reasons I do what I do!
Love, Nurse Beth
