“ *Have many memories with Diane working with my mom and her driving school buses
We had many fun times but at the end of the day she couldn't wait to get home to her family in which she loved them all dearly. After work we talked on the phone and shared stories of our kids on the bus Diane was a tuffy but she would always win the kids over she was just that kind of person very kind & understanding my life will never be the same without her I will miss her so much I will keep your memories close to my heart I will love you forever my dear friend* ❤️

“ *Diane Hartung was amazing and a teaser. I worked with her at the Deptford Bus Compound. She was a hard worker who was so compassionate to the bus children and their parents. No one could make us buy a lottery ticket like Diane. She was awesome. Shirley Raively*
