“ It was an absolute honor for us and anyone else to have known him. Whether it was a visit to the Pawlowski house, or on the sidelines of a sporting event, you were sure to leave with a smile on your face and laughter just because of Dick and Judy. Mr. Woehrle is a true angel in Heaven as he was on Earth. Not only was he an honorable man, but the perfect husband, father, grandfather, and friend. Rest in peace. “ I just wanna take a moment to say it was nice meeting Dick at the PWHF. He was a very nice man and was kind to fans that wanted to talk to him. He actually asked me to take some pictures of him with some other wrestlers and friends of his last year. Another great legend gone . Great matches and great memories of some great times as a kid watching you. RIP !
