“ *My husband and I greatly appreciated your talk on marriage at GCCC. What an honor it was to witness the great love of this man and wife! Whenever we saw Don at church after that we just looked on at him with great admiration. Thank you both for sharing your love with each other and your love for Christ with so many other couples.*

“ *My deepest sympathies to Bernadette and family. Don was a good friend and positive influence on my career. He always would take time to ask about my wife Debbie and remebered my sons names. I truly admired him and always enjoyed his company.*

“ I will always remember Don's smile and the twinkle in his eyes. He (and Bernadette) were so encouraging to me in these past years. Recently I asked him to pray for a man - someone Don didn't know the but I knew Don was "the man for the job". There were some amazing things that happened as a result of those prayers. The Sunday before Don went home I ran to the choir room to tell him of the events that had transpired...He was all smiles and said "God is soooo good!!!" I loved him as my brother in Christ and I love you too Bernadette. I am thankful that God brought you all to GCCC so that our lives would be forever touched. Meredith and Jason - you have my love and sympathy as well.

“ We had to let everyone know how much their prayers, words of kindness, flowers, meals and concern for us have blessed our lives. He surely touched our lives, but it is such a comfort to us to know that he touched all of yours too. We have a peace in knowing that my husband and our Pop is in heaven with his Lord and Savior, Jesus Christ.

“ Our love goes out to you Bernadette and Meredith. To my brothers Kenny, Jimmy and Robbie I grieve and hurt for our brother too. Don, I can only remember the good times. I hope to God that is how you wanted it too. Look in on my Dad when you get done saying hi to your Mom & Dad. You'll get a kick out of him. I'll remember you always.

“ I knew Donald Barnshaw in my childhood in Kensington in Philadelphia. We went to the same grade school H. A. Brown School. He was always kind, a very decent boy. Later, as usually happens, we didn't see each other again. When I saw his name in the obituary section of the paper, I thought it was him. The video proved it. I am so sorry that he passed away. My heart goes out to all of you in Don's family

“ My deepest sympathy to all of Don's family. I feel honored to have been able to call him "friend". A Poem in remembrance.... I'm Free (By Linda Jo Jackson) Don't grieve for me for now I'm free. I'm following the path God laid for me. I took his hand when I heard him call. I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way, I've found that peace at the close of day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life's been full I've savored much, good times, good friends, a loved one's touch. Perhaps my time seems all too brief. Don't lengthen it now with undo grief. Lift up your heart and share with me, God wanted me now, he set me free.

“ Dear Don and Family,
I want to tell you that you are a great friend and I thank the Good Lord for your friendship as well. God gave you and I a good long season of fellowship, and prayers. I know you are in a much greater place than I at this time. We all envy you and are joyful that you have finished "Running the Race" that so many of us read about in Scripture.
You succeeded where many of us are still running. As you always said to those applying for a GCCC scholarship " If you died today , do you know where you would go and Why?" Well now you get to see for yourself first hand what that question was all about for these young men and women. You touched many a soul in our choir with your poems and words of wisdom. You gave me encouragement when you would ask me to sing on your "good Side".
I take courage in saying that Psalm 23:1-6 always gave me guidance and comfort. I share that with Mrs. Barnshaw and children. Take care of yourself. Get in with the Choir up there in Heaven and you don't need to worry about trying to hit those high notes anymore. I hear the basses up there sing perfectly in God's ears. My prayers of peace, strenght and and comfort from the Holy Spirit be with you all. In HIS Mighty Name Coach al

“ I shared the stage with Don in productions at GCCC, and I thoroughly enjoyed working with him. We all loved his poems and looked forward to his wit and extraordinary way with words. I also worked with him on the scholarship committee at GCCC and the one question that he wouldn't let any student leave without answering was, "If you were to die tonight, where would you go?" We never had a student that didn't answer, "Heaven". But Don wouldn't let them off that easy. He had them tell why they were so sure they would go to heaven. I thought of that right away after I heard of his death. For sure, Don is in heaven because of his acceptance of Christ's redemptive work in his life. Thor and I send you our deepest sympathies and pray for God's peace to surround you.
