“ Mr. Hutchinson was my Bookkeeping teacher at Triton. He was the BEST teacher a student could have had with his teaching talents and the way he loved his students!! ALL of his students loved him and everyone use to say "Hutch-e-poo we love you"!!! One day his said he was going to ask a question to our class. He said if any one could answer the question correctly it was an "A" for the semester. He asked the question and up went my hand without any competition in the room. I answered the question and he told me I had a "A" for the semester!!! I was thrilled!!!! Another day he was in class and his arms were wrapped up. He said there was a fire. He was hurt but it did not stop him coming to his class.

*My deepest sympathy to his entire family. His loss will be great because he was a great person.*

“ *I am so very sorry for your loss. Mr Hutch made me a better person. He cared about his students and provided a lot of support to us. He was patient and funny. Due to my concerns with my health he was the only teacher who took his time to bring me my lessons and homework to make sure I graduated with my class. To me he was a hero. To the family you really had such a terrific dad, grandfather. I am sure that he will be missed. One other note. I worked with mrs. Hutchinson at J.C. Penney echelon mall. She was always so sweet and to her I would like to say. Sorry for your loss.*
