“ *Deepest sympathy goes to Donna’s family. I met Donna on a plane while heading to a cross stitch retreat in Myrtle Beach about ten years ago and we had been friends ever since. We shared our love of needlework. So glad we had a lovely weekend at a retreat in Cape May this past November. I will hold those memories and laughs we shared in my heart. Heaven has opened its arms wide for this special lady. I will miss your enthusiasm when telling stories.*

“ Donna Ayres was one of the most amazing human beings I have ever known. She was a true gem, a bright light. Donna volunteered many hours and years of her life, in support of the Miss NJ America Scholarship Organization. Her very first pageant year as a local director was in 1993. I was her very first winner, Miss Shore Resort 1993. Donna instantly became my best friend. What everyone knows about Donna, is that she herself, could have been a Miss New Jersey. Donna had the beauty (oh that smile!), charisma, the wit, the intelligence, and the confidence...like all Miss New Jersey contestants (local & state) that graced the stages of New Jersey throughout the years. If we were to witness her true innate talent, we would give Donna the highest ratings for creativity, thoughtfulness, kindness, compassion, and depth of heart. After years of being a local director for the Miss NJ America organization, Donna embraced the role of State Director for The Miss New Jersey America Organization. Donna adored and supported each and every one of her title holders. Donna embraced her role of state and local director, with fervor and grace. Thank you Donna for all that you have given of yourself, to help so many young women evolve through this scholarship organization. You are loved so dearly and will be missed by so many. We will always remember you and your memory will shine bright in our hearts. With love, light, and prayers to all family members and friends, Margarete Hyer

“ My deepest condolences to Donna's friends and family. Donna was always so courteous and considerate to Barbara and me and our family for many years in all the activities she performed for the Miss New Jersey Charitable Organizations. We will miss her and her lovely demeanor. She died way too young. Her contributions will not be forgotten. Thanks for all you did for us, Donna.
